Wandsworth LBC: Revenue Service Expenditure Dashboard

2021-22 to 2024-25 | Source: DLUHC RS Revenue Outturn | Prepared by Dorcas Aina

Total Expenditure

£1.82bn

Four Year Change

£140.8M

Four Year CAGR

10.8%

People Services Total

£1.57bn

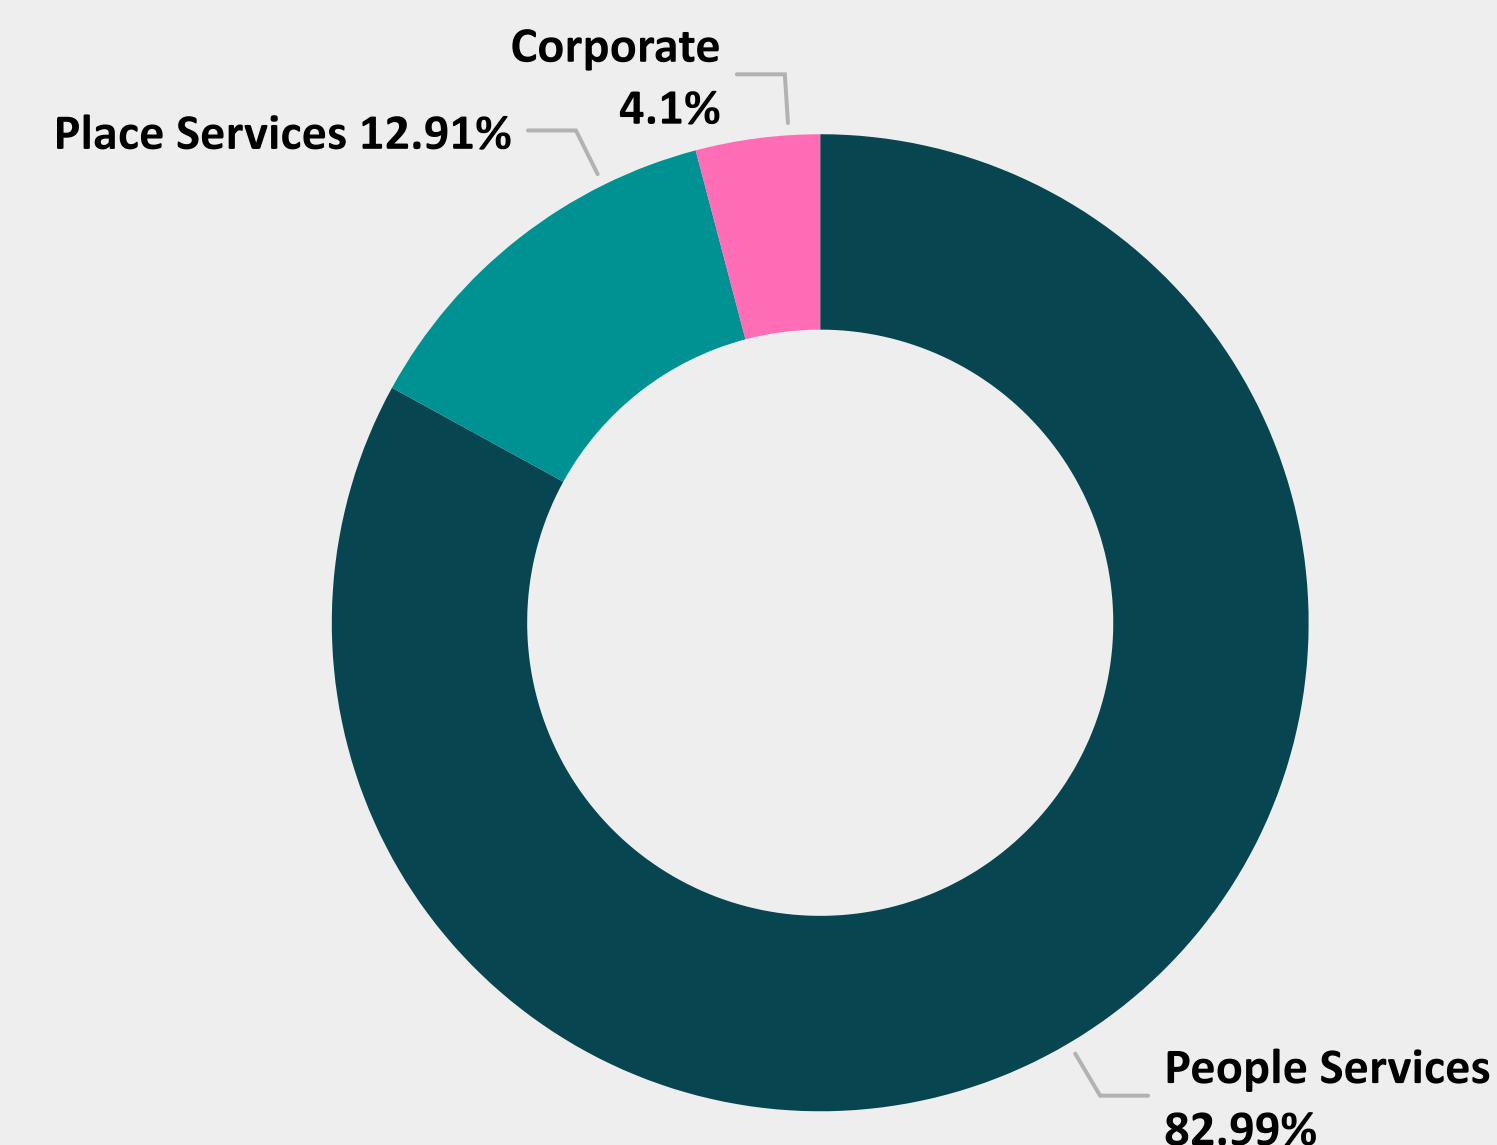

Summary

This dashboard analyses four years of net service expenditure for Wandsworth London Borough Council using DLUHC Revenue Outturn RS data. It covers nine service areas across three directorates, tracking expenditure trends, year-on-year variance, and the shifting composition of spend between People Services and Place Services.

Use the navigation tabs below to explore:

- Executive Overview: total spend, KPI cards, and service area breakdown
- Service Variance: matrix comparison across all years with conditional formatting
- Trend Analysis: four-year trajectories, YoY change, and expenditure forecasting
